Clothing should be clean and within accepted standards of appropriateness for school and educational activities.

Logos, emblems and graphics must be appropriate and free from gang affiliations, sexual connotations, offensive language, offensive graphics or promoting alcohol or illegal substances.

UNIFORM T-SHIRT

Families will be required to purchase the school uniform T-Shirt allocated to Junior 0-6 syndicate. Students will be required to wear the T-Shirt when representing school at designated events (both sporting and/or educational). Families will be advised at the earliest opportunity when this is necessary.

Teachers/School Management may require students to wear the school T-Shirt for specific activities such as gymnastics, dancing, climbing, running etc, particularly if wearing inappropriate clothing poses a health & safety risk for students, and those around them during that activity.

All Students must wear shorts or calottes, with the option of tracksuit pants (in conjunction with the uniform T-Shirt). Students can supply their own. These must be designed for the purpose and intention of sport or physical activity. For example: jean shorts, fashion shorts, jeans, corduroy pants are not suitable PE attire.

Students with inappropriate clothing or incorrect uniform maybe asked to change and can be excluded from participation.

Options for general footwear are flexible, however these should be appropriate for expected activities during the school day.

Excessively 'short' shorts or skirts (even if they have tights underneath) will not be acceptable. Skirts/shorts should be of a respectable length. Students may be asked to change if not compliant.

There may be specific activities where students will need to have long hair tied up or tied back.

All students must wear appropriate sun hats during Term 1 and Term 4 of each year in accordance with our sun smart policy. Students can provide their own hats which should provide protection for the face, and cover the neck and ears. Sunhats can be ordered from the school office, enquire about pricing.
