

Raglan Area School

TE KURA A ROHE O WHAINGAROA

ONLINE TEACHING & LEARNING GUIDELINES FOR FAMILIES

School Values guide our actions as we navigate our way through what lies ahead.

Poutama

We are resilient and aspire to excellence

Whanaungatanga

We are inclusive and connect genuinely with others

Manaakitanga

We are respectful, kind and empathetic

Kaitiakitanga

We are guardians of Te Ao Maori and our world

WHO:

- Raglan Area School Students can work anywhere (except school) with and without internet access.
- RAS teachers and parents/caregivers will work together to offer the best options for this to happen.

WHEN:

- The school day will operate between the hours of 9am and 3pm for our students - as directed specifically by each student's classroom teacher.
- Learning activities will be posted by 8:00 AM Monday to Friday New Zealand time.
- Students and parents can contact their teachers with questions via email between 8am and 4pm.
- Each Teacher's availability will be posted in the team Gsite in alignment with his/her timetable.

WHAT:

- Parents will not be placed in the role of teaching; students and parents will be supported by teachers to allow students to independently carry out tasks assigned by teachers.
- Parents are encouraged to support children to be as independent as possible with learning so that students can participate at a level that is engaging and not stressful to the children or the parents.
- Teachers are planning activities that relate as closely as possible to current class content or skill.
 - ❑ Hardcopy home packs will be delivered to all families as additional resourcing.
 - ❑ Learning tasks reinforce students' learning or introduce new content that will be supported.
 - ❑ Formative and summative assessments submission procedures will be shared.
 - ❑ Online group and 1-1 conversations for students will be delivered using Google and/or Zoom.

HOW:

- Students will access their content and post completed tasks using G-Site, G-Mail and Google Classroom platforms. Please have your child show you that he/she is able to access Google online.
- Please seek teacher support when needed. Contact details are on the website and in team G-sites.
- All online teaching and learning expectations are accessible on the Raglan Area School website.
