		Liam discussed the importance of the Masterplan for the sportsdome.	

Remediation works 43m x 35m space - Fraser will share the details with the Board. Ensure the fencing is correct. The Board will need to contribute to fencing and the sportsdome with help from the Community.

Action: Louisa and Liam to speak with the staff regarding the masterplanning and the sportsdome and the designation of areas e.g. Jnr/Int//Snr/Roopu. There must be staff, whanau and community input regarding these changes.

3.3. Principal's Report - July 2020 Verbal

Project Manager Appointment - completed

Annual Plan update - LB advised the Board to investigate, question and contribute where necessary.

General school/staff news:

Reported to the MOE re attendance post-COVID. The 7-10 areas are going through transition due to staff illness and bereavement. Full support has been given to staff concerned. First face to face staff meeting was thorough and positive to lift standards. **Student Achievement Reporting -** Louisa discussed the board how they wished to receive the data. Assessment overview. SMS seems inefficient. Consistency throughout the school is not present.

Action: LB would like the Staff Rep to work with the DP to build in markbooks and timetabling. Board-driven as they require longitudinal data.

Liam recommends assistance by Sandra Jonas.

Introduce reports that show facts but also emphasize improvement of low achievers. Concentrate on the Y11-13 area first.

6-month plan re Suspensions/Stand-downs required.
