

Details on how to access our Edge App

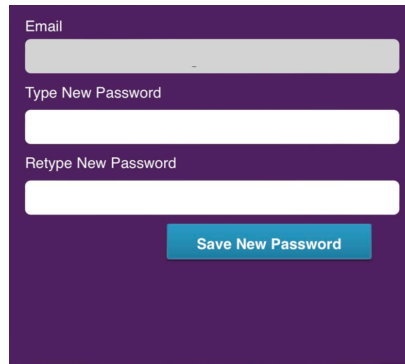

1. Go to <https://parent.edgelearning.co.nz>.

2. Key in the email address which you have registered with the school and click on the 'Forgot Password?' link. Use your email address that you have registered with our school.

A screenshot of the Edge Learning login page. It features a purple background with white text. At the top, there is a text input field containing the placeholder text "email@goeshere". Below this field, the text "email is required" is displayed in a smaller font. Underneath the input field is another text input field, which is currently empty. At the bottom of the form, there is a link labeled "Forgot Password?" which is circled in red.

3. You will then be sent an email with a link to set up a password.

A screenshot of the Edge Learning password reset form. It has a purple background with white text. The form contains three input fields: "Email", "Type New Password", and "Retype New Password". Below the "Retype New Password" field is a blue button with the text "Save New Password".

4. Set up your password and you're ready to login to Edge for Caregivers.

5. You can download the "Edge Musac" app on your phone to access it easily.
